Re: Duquesne Light Company – Results of Request for Proposals for the March 19, 2018 RFP

Dear Mr. Peoples:

On March 20, 2018, CRA International, Inc. d/b/a Charles River Associates filed Duquesne Light Co.'s (DLC) results of its DSP VIII procurement process and rules for the March 2018 Solicitation for DLC's default service customers. The filing included five products in a Fixed Price Auction for the supply for residential, small commercial & industrial (C&I), and medium C&I customers who will receive default service from DLC within the period June 1, 2018 through May 31, 2020 and one product in an Hourly Price Auction with an hourly priced product for DLC's large C&I customers for the 12-month period June 1, 2018 through May 31, 2019. All products were procured via declining clock auctions.

This filing was submitted in accordance with RFP Process and Rules were approved as modified by the Commission's Order, entered December 22, 2016, at Docket No. P-2016-2543140. DLC requests that the Commission approve the bid results of the March 2018 Solicitation on or before March 21, 2018.

Further investigation does not appear to be warranted at this time, since the results of the March 2018 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this March 2018 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

Rosemary Chiavetta
Secretary
