Re: Duquesne Light Company – Results for the September 24, 2018 Request for Proposals

Dear Mr. Peoples:

On September 25, 2018, CRA International, Inc. d/b/a Charles River Associates filed Duquesne Light Company's (DLC) results of its DSP VIII procurement process and rules for the September 2018 Solicitation for DLC's default service customers. The filing includes bid results for Full Requirements Request for Proposals (RFP) for the supply for residential, small commercial & industrial (C&I), and for medium C&I customers who will receive default service from DLC within the period December 1, 2018 through November 30, 2020. All products were procured via declining clock auctions.

This filing was submitted in accordance with the RFP Process and Rules that were approved as modified by the Commission's Order, entered December 22, 2016, at Docket No. P-2016-2543140. DLC requests that the Commission approve the bid results of the September 2018 Solicitation on or before September 26, 2018.

Further investigation does not appear to be warranted at this time, since the results of the September 2018 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this September 2018 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

Rosemary Chavetta
Secretary
