**Re: Duquesne Light Company – Results for the December 9, 2024, Request for Proposals**

Dear Mr. Peoples:

On December 10, 2024, CRA International, Inc. d/b/a Charles River Associates filed Duquesne Light Company's (DLC) results of its DSP IX procurement process and rules for the December 2024 Solicitation for DLC's default service customers. The filing includes bid results for a Full Requirements RFP for the supply for medium commercial and industrial customers who will receive default service from DLC within the period March 1, 2025, through May 31, 2025. This product was procured via the declining clock auction.

This filing was submitted in accordance with the RFP Process and Rules that were approved as modified by the Commission's Order, entered January 14, 2021, at Docket No. P-2020-3019522. DLC requests that the Commission approve the bid results of the December 2024 Solicitation on or before December 11, 2024.

Further investigation does not appear to be warranted at this time, since the results of the December 2024 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this December 2024 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010, at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,
