**Re: Duquesne Light Company – Results for the December 11, 2023, Request for Proposals**

Dear Mr. Peoples:

On December 12, 2023, CRA International, Inc. d/b/a Charles River Associates filed Duquesne Light Company's (DLC) results of its DSP IX procurement process and rules for the December 2023 Solicitation for DLC's default service customers. The filing includes bid results for a Full Requirements RFP for the supply for medium commercial & industrial customers who will receive default service from DLC within the period March 1, 2024, through May 31, 2024. This product was procured via the declining clock auction format.

This filing was submitted in accordance with the RFP Process and Rules that were approved as modified by the Commission's Order, entered January 14, 2021, at Docket No. P-2020-3019522. DLC requests that the Commission approve the bid results of the December 2023 Solicitation on or before December 13, 2023.

Further investigation does not appear to be warranted at this time, since the results of the December 2023 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this December 2023 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010, at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.
