**Re: Duquesne Light Company – Results of Request for Proposals for the December 11, 2017 RFP**

Dear Mr. Peoples:

On December 12, 2017, Duquesne Light Company (DLC) filed the results of its Request for Proposals (RFP) Process and Rules for the December 2017 Solicitation for provider of last resort service. The filing includes bid results for Full Requirements RFP for Medium Commercial and Industrial customers during the period March 1, 2018, through May 31, 2018.

This filing was submitted in accordance with RFP Process and Rules were approved as modified by the Commission's Order, entered December 22, 2016, at Docket No. P-2016-2543140.

DLC requests that the Commission approve the bid results of the December 2017 Solicitation on or before December 13, 2017.

Further investigation does not appear to be warranted at this time, since the results of the December 11, 2017 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this December 2017 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

A handwritten signature in black ink that reads "Rosemary Chiavetta".
