Re: Duquesne Light Company – Results of Request for Proposals for the June 11, 2018 RFP

Dear Mr. Peoples:

On June 12, 2018, CRA International, Inc. d/b/a Charles River Associates filed Duquesne Light Company's (DLC) results of its DSP VIII procurement process and rules for the June 2018 Solicitation for DLC's default service customers. The filing includes bid results for a Full Requirements RFP for the supply for Medium Commercial and Industrial customers during the 3-month period from September 1, 2018, through November 30, 2018. This product was procured via the declining clock auction format.

This filing was submitted in accordance with the RFP Process and Rules that were approved as modified by the Commission's Order, entered December 22, 2016, at Docket No. P-2016-2543140. DLC requests that the Commission approve the bid results of the June 2018 Solicitation on or before June 13, 2018.

Further investigation does not appear to be warranted at this time, since the results of the June 2018 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this June 2018 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

Rosemary Chiavetta
Secretary
