ATTN: JOHN PEOPLES SUPERVISOR OF ENERGY

Re: Duquesne Light Company – Results of Request for Proposals for the September 11, 2017 RFP

Dear Mr. Peoples:

On September 11, 2017, CRA International, Inc. dba Charles River Associates filed Duquesne Light Co.'s (DLC) results of its POLR VIII procurement process and rules, including the proposed bid results for provider of last resort for all Residential and Small Commercial & Industrial customers electing to receive default service from DLC during the twelve month period from December 1, 2017 to November 30, 2018, and for the twenty-four months period from December 1, 2017 to November 30, 2019; and Medium Commercial & Industrial customers electing to receive default service from DLC during the three month period from December 1, 2017 to February 28, 2018.

This filing was submitted in accordance with RFP Process and Rules were approved as modified by the Commission's Order, entered December 22, 2016, at Docket No. P-2016-2543140. DLC requests that the Commission approve the bid results of the September 2017 Solicitation on or before September 13, 2017.

Further investigation does not appear to be warranted at this time, since the results of the September 2017 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this September 2017 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

Rosemary Chiavetta
Secretary
